3652

DATE MAILED: 05/11/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 3652

NON-RESPONSIVE

The reply filed on March 8, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The addition of numeral 27 to figure 4 in the drawing to denote retaining means is not acceptable since numeral 27 is already used in figure 5 to denote an axis. The drawing and the specification should be corrected to use a heretofore unused numeral to denote the retaining means. Also the introduction of numeral 60 in figure 5 and the specification, page 10, is considered new matter. These amendments should be deleted. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to D. Underwood at telephone number 571-272-6933.
